Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Theory and Practice in Designing With from the most elementary examples to those which are more involved. The arrangement is progressive, so that the book may be used as a text book by those beginning to study the subject, and they will be taken by easy steps right through. Only the simplest problems in mathematics are employed and the method of using all formula is clearly set out; graphic methods are employed whenever possible. The information when once fully explained is not repeated, so that the more complicated structures can be dealt with concisely, thus enabling the book to form a handy reference to those engineers and architects who are engaged in the practical design of structures. It is quite distinct from other books on designing by the same author and should. Be twitch 2as. samplementary to them.
