ELECTRONICS: A SYSTEMS APPROACH (FOURTH EDITION)

Pearson Education 0. Softcover. Condition: New. 4th edition. The fourth edition of Electronics: A Systems Approach is an outstanding introduction to this fast-moving, important field. Fully updated, it covers the latest changes and developments in the world of electronics. It continues to use Neil Storey's well-respected systems approach, firstly explaining the overall concepts to build students' confidence and understanding, before looking at the more detailed analysis that follows. This allows the student to contextualise what the system is designed to...
