Dr. Tosha Meredith Foundation, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. After the release of the first book in the Get In The Flow Series Dr. Meredith quickly realized the importance of creating a work that contained both practical and spiritual application for individuals on the path to wealth. While the first book, Get In The Flow - Seven Principles on Becoming a Wealthy Christian, provides biblically based action steps to the changing of ones mindset, it lacked the practical application necessary to assist one with focusing on the discipline necessary to begin the road to success as it relates to becoming a millionaire. Subsequently, this work, Get In The Flow - Think Like A Millionaire, aims to provide the reader with both practical and spiritual applications for wealth creation.
