Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Brand New Book ***** Print on Demand *****.58 Facets to Brilliance is a compilation of what it takes to be a Diamond in the Rough where you can inhale light and exhale fire. Let your light shine! Your playing small does not serve the world. There is nothing enlightened about shrinking so that other people won't feel insecure around you. We are all meant to shine, as children do. We were born to make manifest the glory of God that is within us. -Marianne Williamson Each of the characteristics described in this book when polished to perfection will allow you to radiate, vibrate and attract success! My dear friend Jan Payne is a brilliant diamond! Her clarity is obvious in the way she shines and reflects light so purely. In this book you'll discover how to dive into the mine of your being and uncover the riches that are already there! Her playful writing style makes this a great book for the beginner thru advanced. Let Jan be your guide and cherish this book like you would a valuable diamond! - Tristan Truscott Sensei (martial arts black belt), mindset coach, speaker, entrepreneur, and fellow traveler who loves helping people create vibrant health, abundant wealth and beautiful relationships. Learn how to polish and perfect every aspect of your complete personality with this wonderful series of ideas and insights on success and happiness. Brian Tracy - Author, The Way to Wealth When I met Jan Payne I felt her radiance immediately. She exudes a positive energy and happiness that I wish everyone would develop. Her book Success Radiates! will show you in simple steps how to build the same attractive energy she has created. Jim Cathcart,...
