Blue Wolf: An Alix Thorssen Mystery (Paperback)

Filesize: 9.47 MB

Reviews

A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.

BLUE WOLF: AN ALIX THORSSEN MYSTERY (PAPERBACK)

Thalia Press, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. As Jackson Hole gallery owner Alix Thorssen plans an art auction to promote wolf conservation, she is plunged into a bitter feud between ranchers and environmentalists -- and an old mystery involving the strange death of a teenage boy. A reclusive artist delivers a stunning painting of a blue wolf at the auction, and asks Alix a favor: investigate the accidental shooting of Derek Wylie twenty-five years earlier. Alix finds disturbing clues to a murder and a cover-up, one that leads by tangled threads to the heated animosity right now in Jackson Hole, as the artist and her painting become the catalyst in a brewing storm of rage, guilt and dark secrets left behind in a trail of old blood. This is the fourth Alix Thorssen mystery, following Nordic Nights, Painted Truth, and The Bluejay Shaman. A few writers are gifted with a feel for place that transforms locale from mere background into a vital element of the story itself, as important as the human characters who inhabit it. Among today s fortunate few are Tony Hillerman with his mystical view of Navajo country and James Lee Burke, whose evocation of the Louisiana bayous verges on the poetic. To their number add Lise McClendon, who has taken the small resort town of Jackson Hole and the Wyoming wilderness that surrounds it, and made her own. Picturesque Jackson Hole, placid on the surface, is not without its controversies and conflicts. When a rancher, claiming self-defense, kills a wolf, the community is divided among those who view the wolf, recently reintroduced into the wild, as a threat to their livestock and those who seek to protect and preserve the greatly endangered species. All Alix Thorssen...
