Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. This book provides a lot of reasonable and sound creative writing advice that adults as well as teens would profit from, in writing on paper as well as online. In this age of electronic portfolios, I can really see this book being used as a textbook for young high-school students. -Judge, 23rd Annual Writers Digest Self-Published Book Awards Today's teenagers have incredible, crazy, and brilliant things to say, and creative writing or blogging is an effective outlet for self-expression. Writers are inspired, validated and empowered by blogging because they feel their voices are being heard. This humorous and quirkily illustrated 24-chapter book teaches students how to write a compelling essay or blog post, one that other people will want to read. It is not a grammar book, but rather, an instructional guide to more colorful and visceral writing. Each chapter introduces a concept, engages the student with entertaining examples, and provides a writing prompt and assignment. Concepts covered include: How Blogging Can Make You a Better Writer, How to Create a Blog, Grabbing Your Reader from the Beginning, Using Detail to Appeal to the Senses, Active vs. Passive Voice, Metaphors and Similes, Using Dialog, Addressing Writers Block and more! It's a great resource for homeschool educators. Adventures in Blogville covers some of the same concepts as Andrews previous book, Sticky Readers: How to Attract a Loyal Blog Audience by Writing More Better, but is aimed at a younger audience in its examples and family-friendly language. PRAISE FOR ADVENTURES IN BLOGVILLE. I wish there had been a book like this available for me when I was in high...
