

Computational Methods for Reproductive and Developmental Toxicology

By Donald R. Mattison

Taylor & Francis Inc. Hardback. Condition: new. BRAND NEW, Computational Methods for Reproductive and Developmental Toxicology, Donald R. Mattison, Building from the perspective of reproductive and developmental biology, this volume provides a timely, comprehensive overview of computational approaches in reproductive and developmental toxicology. The book reviews the complexity of reproductive and developmental processes and the large number of chemicals in the environment and in drug development to which adults of reproductive age are exposed or treated. It highlights the need to determine those that represent potential hazards and strategies for evaluating that information. The text includes legislative initiatives focusing on the identification of reproductive and developmental hazards while reducing use of animals.
