Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.
(Dr. Kayden Gerlach)

AUTHORHOUSE, United States, 2010. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Growing up horse-and-buggy Amish in America in the sixties was a lesson in clashing realities. The Vietnam War dogged our edges. The moon landings and the social revolution permeated even our harmonious perimeter in the most subtle ways. This collection chronicles these opposing extremes, from the plantings and harvests of childhood to the turning away as a cynical adult. From the sun drenched hay fields; through drug addiction, to the sun drenched suburbs of Los Angeles where I found my wife who righted my turbulent ship and set sail to this tenuous plateau of an all-American, middle class family man.
