CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 328 pages. Dimensions: 8.0in. x 5.2in. x 0.7in. Nyx Leron is a Hunter. A demon hunter. The thing is. . . . demons arent what fairy tales or religious texts say they are and reality is only a matter of which reality you perceive. After being sentenced to serving a term in Reality Level 3 on the prison planet known as Earth for a crime he didnt commit, the Hunter soon learns that the balance of power and the control of Sacred Knowledge that can free all souls from endless cycles on planets like Earth are in the hands of corruption. After his targets escape, losing him his bounty. . . and his debt payoff, he barely escapes with his life and unexpectedly lands in the apartment of librarian and sometime tarot card reader, Lyra Hall. With a coven of soul-sucking demons now on his tail and traces of his energy in her living space and on her person, the Hunter has no choice but to take the human woman with him as he makes his escape to another galaxy, dimension and reality level where he will try to figure out how to protect the billions of souls that are now in danger. Lyra Hall is a librarian with a vision. . . . literally. Since childhood shes been able to see things in the dark that others couldnt. . . . shadows that come to her when shes on the verge of sleep. Are they real Or just an overactive imagination and abandonment issues from a broken home Lyras about to find out when she wakes up in the middle of the night to what she thought were two demons standing beside her bed, only to discover...
