

National HIV/AIDS Strategy: Update of 2014 Federal Actions to Achieve National Goals and Improve Outcomes Along the HIV Care Continuum

By Office of National Aids Policy

Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Since President Obama released the nation's first comprehensive National HIV/AIDS Strategy in July 2010, a seismic shift in how the nation conducts HIV research, prevention, care, and treatment has occurred. Central to the Strategy is the unifying vision that the United States will become a place where new HIV infections are rare and when they do occur, every person, regardless of age, gender, race/ethnicity, sexual orientation, gender identity or socio-economic circumstance, will have unfettered access to high quality, life-extending care, free from stigma and discrimination. Implementation of the Affordable Care Act, which has now extended health care coverage to millions of Americans, has a dynamic and evolving relationship with the Strategy that in coordination addresses the public health imperative to stop AIDS in the United States. In the nearly five years since passage of the Affordable Care Act and release of the National HIV/AIDS Strategy, the knowledge, tools and infrastructure at our disposal to prevent new infections and deliver care and services have changed dramatically (Figure 1). The Strategy's goals are to reduce new HIV infections,...
