An Amazon Best-Selling Author in multiple categories, with 5-Star Reviews This book came from a deep heartfelt desire to know the stories of my family. When my great grandmother died at 96 years old I was crushed. Now I have faded memories and second-hand stories when I wish I could revisit all of her wisdom more regularly and fully. Just a few pages of her notes would be comforting and priceless to me. I m determined not to let that happen again with my grandparents or my parents or my brother or my friends. I want to make it easy to collect all those stories and all of that wisdom. I made this so it would be easy to put words on paper for people who aren t writers. For me, this is about recording stories and having them for our family. This is a gift from my heart. I realized when I started this process, that others might like a chance to learn the stories from their loved ones. so I decided to publish it here. Ideally, this becomes a regular on the bed-side table for you and your loved ones and it provides opportunities for reflection. About Dale Thomas Vaughn Vaughn is the Best-Selling author in non-fiction (Wine Snobs Are Boring), and fiction (Dr. Mann s Kind Folly). He is...
