The Montana Group of Northwestern Montana (Classic Reprint) (Paperback)

By Eugene Stebinger

Forgotten Books, United States, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Montana Group of Northwestern Montana Recent field work has shown that the formations Of the Montana group in and near the Blackfeet Indian Reservation Of northwestern Montana are very different from those Of the type area of the Judith River and associated formations on Missouri and Musselshell rivers, in the central part Of the State, but similar to the formations in southern Alberta as described by Dawson. They seem to deserve special description not only because they present new evidence regarding the relations Of the Belly River formation of Canada to the Judith River formation, but also because they indicate the varying geographic conditions that prevailed during Cretaceous time in this region. Furthermore, the stratigraphy as interpreted affords an excellent example Of variation in sedimentation from the seaward to the landward side of a zone Of deposition. The Montana group, as here described, was first studied by the writer in the summer of 1911, along Cut Bank Creek and Two Medicine River on the Blackfeet Indian Reservation, in company with Mr. T. W. Stanton, who has already brie?y...
