## WHERE DATA IS WEALTH: PROFITING FROM DATA STORAGE IN A DIGITAL SOCIETY

Play Technologies, United States, 2015. Paperback. Book Condition: New. 210 x 148 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In the modern world, data is wealth. He also helps technology vendors anticipate new business opportunities, market demands, and customer needs. Having known and worked...
