# Distributed Programming with Ruby (Paperback)

By Mark Bates

Pearson Education (US), United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A must have title for the well-rounded Ruby programmer building advanced Rails applications and large systems! OBIE FERNANDEZ, Series Editor Complete, Hands-On Guide to Building Advanced Distributed Applications with Ruby Distributed programming techniques make applications easier to scale, develop, and deploy-especially in emerging cloud computing environments. Now, one of the Ruby community s leading experts has written the first definitive guide to distributed programming with Ruby. Mark Bates begins with a simple distributed application, and then walks through an increasingly complex series of examples, demonstrating solutions to the most common distributed programming problems. Bates presents the industry s most useful coverage of Ruby s standard distributed programming libraries, DRb and Rinda. Next, he introduces powerful third-party tools, frameworks, and libraries designed to simplify Ruby distributed programming, including his own Distribunaut. If you re an experienced Ruby programmer or architect, this hands-on tutorial and practical reference will help you meet any distributed programming challenge, no matter how complex. Coverage includes* Writing robust, secure, and interactive applications using DRb-and managing its drawbacks* Using Rinda to build applications with improved flexibility, fault tolerance,...
