

The Patient Centered Value System: Transforming Healthcare through Co-Design (Hardback)

By Anthony M. DiGioia, Eve Shapiro

Taylor Francis Ltd, United Kingdom, 2017. Hardback. Condition: New. Language: English . Brand New Book. Imagine: You are a hospital Chief Executive Officer, Chief Financial Officer, medical or nursing director, patient safety specialist, quality improvement professional, or a doctor or nurse on the front lines of patient care. Every day you re aware that patients and families should be more engaged in their care so they would fare better both in the hospital and after discharge; their care could be safer and more seamlessly coordinated; patients should be ready for discharge sooner and readmitted less often; your bottom line stronger; your staff more fulfilled. You enter into new payment models such as bundling with an uneasy awareness that your organization is at risk because you don t know what the care you deliver actually costs. Like most healthcare leaders, you are also still searching for a way to deliver care that will help you to achieve the Triple Aim: care that leads to improved clinical outcomes, better patient and family care experiences, and reduced costs. Sound familiar? If so, then it s time to read The Patient Centered Value System: Transforming Healthcare through Co-Design. This book explains how to introduce...
