Language: English Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from **A Concise History and Description of the City and Cathedral of Worcester: Comprising Also a Brief Account of All Market and Borough Towns, and Principal Seats of the Nobility and Centry in the County** Two editions of **A Concise History of Worcester** having been required by the public, a respectful acknowledgment of the patronage already enjoyed is due from the publisher. This he now desires gratefully to offer. The result of the encouragement given to his former undertakings, has been a diligent and persevering effort, continued through many years, to collect every particular relating to the history, antiquities, and present state of Worcester, which could contribute to correct and improve the volume he had formerly given to the public. This accumulation of materials, augmented by the suggestions of many judicious friends, has led to the present publication, which appears before the public as an entirely new work. An attempt has been made to compress within a small compass all the historical, descriptive, and statistical details, which residents of the city and county might wish to possess, and visitors to consult. In the general accuracy of the statements here presented, the Author and Publisher feel the utmost confidence. In every instance in which it was practicable, original sources of information and official authorities have been consulted. The mistakes of many former works have been discovered and corrected, much additional information has been brought to light, and every particular noticed which could contribute to the utility and completeness of the work. The arrangement of the whole under distinct and comprehensive chapters, as an entirely new feature of the present work, will, it is hoped, prove conducive to the...
