Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

In Arithmetic Willie can add, subtract, multiply and divide numbers up to 100. She has studied weights aud measures, first concretely and then abstractly, and has a very good idea of fractions. By means of a clock with raised figures, given her by her devoted friend, Mr. Whiting, she has become expert at telling time., Zoology. Willie is much interested in the study of animals, and when examining them goes into minutest details. The method pursued is to give her the animal (alive or stuffed) to feel of, and have her tell all she can discover about it; then, after a few days study and talk on the subject with the teacher, to have her represent the animal in clay, and, a day or two afterwards, write down what she has learned. Generally her account is interesting and comparatively complete. Sloyd. In this class the kindergarten and primary grades are taught crocheting, knitting and sewing; chiefly knitting, however. Willie delights in the sloyd hour, --sits quietly and works well. Like the other children, she also enjoys working out of class. She knits both evenly and quickly, can cast on stitches and bind off, knit seam and plain, rib, block and moss patterns, and has made a penwiper, a pair of slippers, a holder, a handkerchief case, and a pair of socks. Gymnastics. Willie enjoys her gymnastics exceedingly, and is very accurate in following commands and making the movements correctly....
