*Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.*

I was born Nathaniel James Buchanan and been called Buck from that day on. I lived most of my life on the frontier, from a cabin in the wilderness, to the Cherokee village of my father s family, to the cities in the east, to the mountains in the west, and back again. I ve done some things in my time; fought many battles, some to kill those who needed killing, some to win freedom, been brother to a few, loved two women, lost a lot and gained more. All the while, I followed my spirit guide, my brother, the wolf. This is my story, my history, the best I recall. I ve lived a good long while, some 88 years. The dates may be off some, cause I don t remember so well now. This writing will probably kill me. It is the hardest work I ve ever done. Mine s a good story, and though I don t like the writing, I do like the telling, and I hope y all enjoy the reading. I ve sure enjoyed the living.
