Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Shakespeare s Tragedy of Julius Caesar This edition of Julius C sar is especially intended for teachers and students, but it is hoped that the general reader may find it useful. It is not expected that all the notes will be alike valuable to all; but it is believed that most readers, whatever their object may be in reading the play, will find in them something helpful. In the following respects it will be found to differ from other school editions: - 1. The notes are all designed to stimulate rather than supersede thought. 2. The results of the latest etymological and critical researches, for the most part, are given. 3. It states concisely the opinions of some of the best critics on nearly every disputed interpretation. 4. It presents some of the best methods of studying English literature. 5. It contains a chronological table of the important events in Caesar s life. It is proper to add that we adhere more closely than other editors to the earliest approved texts. In some cases, as in Act I, sc. iii, line 10, the original reading imparts wonderful vividness and power. As in our editions of Hamlet, Macbeth, and The Merchant of Venice, we follow Rolfe in the numbering of the lines. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
