American Quilter s Society, 2016. DVD video. Condition: New. Language: English . Brand New Book. Crazy Patchwork Techniques DVD is the perfect solution for taking the class without having a computer, makes a wonderful gift, and is great to have on hand as a hard copy-even if you have taken or plan to take the online class. Stitch a beautiful spring garden with this striking crazy quilt pattern and learn different types of applique, lots of fabulous decorative stitches, beading, silk ribbon embroidery, and more! Alice Wilhoit delivers a great value in this class as she teaches needle-turn, cut-away, back basting, and reverse applique so you can make the beautiful flowers in this Lily s Garden pattern bloom just as beautiful as on the original quilt. You ll learn English paper piecing, over a dozen embroidery stitches plus endless combinations, French and colonial knots, beading, silk ribbon embroidery, and how to use dainty vintage handkerchiefs on your crazy quilt. Crazy patchwork is a traditional art form that adds appealing asymmetry to the finished quilt but also gives you freedom as you stitch. So gather your lace, beautiful threads, luscious fabrics, and enjoy the fun of crazy patchwork. As Alice says throughout the class, Most importantly, there are no rules! You just create, create, create!.
