Reviews

Most of these pdf is the perfect ebook available. It is actually rally intriguing throug reading period. I am pleased to explain how this is actually the greatest ebook we have read within my personal life and might be he finest publication for actually.
(Prof. Dario Lang)

L ADAPTATION PSYCHOLOGIQUE DANS LA DYSTROPHIE MYOTONIQUE ADULTE TYPE 1 (PAPERBACK)

Univ Europeenne, United States, 2011. Paperback. Condition: New. Language: French . Brand New Book. Selon une perspective integrative associant psychopathologie, psychologie de la sante et neuropsychologie, nous evaluons les dimensions genetique, fonctionnelles, fatigue, depression, anxiete, strategies de coping, adaptation sociale, atteinte cognitive et qualite de vie, chez 41 sujets adultes atteints de DM1, 19 sujets atteints de dystrophie facio-scapulo-humerale (FSH) et 20 sujets sains. Les resultats montrent que les sujets du groupe DM1 ont, en moyenne, un niveau intellectuel global reduit, une apathie plus frequente et plus intense, et une depression plus frequente que les autres groupes de sujets sains et FSH. Dans la DM1, la depression est positivement correlee au niveau de handicap et au coping emotionnel et inversement correlee au coping centre sur le probleme; le deficit cognitif (niveau intellectuel global et capacites executives) altere l'utilisation des strategies de coping (rigidite des styles de coping utilises au cours du temps) et represente donc un facteur intermediaire d'inadaptation a la maladie. Ces resultats soulignent l'importance d'une evaluation multidimensionnelle et de la possibilite d'un suivi psychologique des personnes atteintes de myopathies.
