Createspace Independent Publishing Platform, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. BOOK FOUR further pulls back the veil over our hearts as we explore Wounding Others. This particular wound is less talked about than the wound from the previous book, but every bit as deadly to our well-being. It is a more socially acceptable form of wounding those around us, yet sets us up to reap the consequences of our hurtful thoughts and words towards others. We spend our time focused on judgments-their cause, their effects, and how to find healing for our hearts from this destructive habit. Some may wonder how an entire book could be devoted to one little word. It s a bigger subject than some may realize.
