Nancy Paulsen Books, 2013. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "Confident artistry and an intuitive knowledge of what the world looks like to a very small person make a winning combination in Wheeler's debut. . . . Careful observation of seeds (including a labeled seed chart), leaves, and plants gives the artwork substance, and Japanese woodblockstyle skies that fade to sunset hues provide a wistful emotional overlay. Wheeler has clearly had a good time inventing fairy-house fixtures for Miss Maple: flower lantern boats and hollow-log houses make one yearn to escape our big, unwieldy world and inhabit hers."
