## ODINS WAY IN THE MODERN WORLD

To read **Odins Way in the Modern World** eBook, make sure you follow the link under and download the document or gain access to additional information which are in conjunction with ODINS WAY IN THE MODERN WORLD book.

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 88 pages. Dimensions: 8.0in. x 5.0in. x 0.2in. Odins Way in the Modern World is a meditation on the Odinic path from one who has been dedicated to this god for decades. Beginning with such topics as Odins heiti (or names), his relationship with women, and his never-ending quest for knowledge and power, the text delves into the hardships of serving Odin and the authors own long-term personal relationship with this complex deity. Drawing on examples from history and saga, he examines what being an Odinist meant to the ancient heathens, and then suggests how those who worship him now must adapt these core values to modern times, just as the god himself has changed over time. The book concludes with a series of runic poems in honor of the many aspects of Odin. This item ships from La Vergne, TN. Paperback.
