By Philip K Dick

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Crystal Crypt is a science fiction short story by Philip K. Dick first published in the January 1954 edition of Planet Stories. The story is set in the distant future where Earth and Mars are on the verge of war. The last spaceship to leave Mars headed for Earth is stopped and searched by Martian soldiers, who are looking for three saboteurs who destroyed a Martian city. They are not found, and the ship continues towards Earth. On board the space ship, a business man by the name of Thacher meets a young woman and two men, who tell that they are the people sought by the Martians, and proceed to tell Thacher the story of how they did not destroy the Martian city, but used a device to reduce the entire city to fit in a tiny globe, which they smuggled on board the ship. The city is to be used as a bargaining chip against Mars in the upcoming war. Thacher reveals that he is a Martian secret agent, and several of the passengers on board are...

### Reviews

*This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.*

-- Brennan Koelpin

*Comprehensive guide! Its this type of very good read through. It is actually written in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*
