Marlin Watling, 2016. Paperback. Condition: New. Language: English . Brand New Book. This is really an astonishing compilation. - N.T. Wright, Professor of New Testament and Early Christianity, St. Andrews University This is a very clever and useful introduction into the encyclopedic mind of the most prolific New Testament scholars of our generation. Tom Wright's thinking is a gift to those of us who seek to further understand the church in mission, discipleship in the way of Jesus, and life in the Kingdom of God. Marlin's book is a needed distillation of his key ideas. A good read. - Alan Hirsch, Author, Thought Leader, Activist, The Lord Jesus had the amazing ability to make the complex simple. The result is convincing, enlightening and educational: it is impossible to read this book and not be better informed of the shape of N T Wright's thinking. - Gerard Kelly, Director of The Bless Network and author of The Seven Stories that Shape Your Life A very valuable summary of N.T. Wright's books put in a very readable and easy to understand format. I recommend this to any one as a helpful guide to a variety of important themes in scripture. Great book. - Barry Wissler, President, HarvestNet International Marlin Watling provides wonderful visual echoes helping people see the sometimes complex explanations...
