Tyndale House Publishers, United States, 2009. Paperback. Book Condition: New. 206 x 140 mm. Language: English . Brand New Book. If you like The Purpose Driven Life or Your Best Life Now, you'll like The Short List. Endorsed by Lee Strobel and John Townsend, The Short List teaches four lessons (through storytelling and Biblical examples) that will help readers to slow down and focus on what really matters in life. It will inspire readers to leave a legacy of lasting significance. It offers big, life-changing ideas presented in a way that's relatable and not overwhelming. When you're working too hard, seeing your family too little, talking to God almost never . . . you're living a life that has gotten out of sync with what's really important. The good news? There are four choices you can make today that will have an overwhelmingly positive impact on you, your loved ones, and the legacy you will leave behind. Popular author and speaker Bill Butterworth uses his trademark blend of humorous stories and Scriptural examples to remind you of God's plan for you . . . and to challenge you to make the four most important choices of your life. Chapter 1: The Lesson from Little League (The First Important Thing: Love) Chapter 2: The Lesson from Fourth Period Chemistry (The Second Important Thing: Honesty) Chapter 3: The Lesson from Big Buttermobile (The Third Important Thing: Faith) Chapter 4: The Lesson from Cruising with the Doctor (The Fourth Important Thing: Courage) Includes an afterword on parenting based on Bill's personal story of his father's death and eulogy.
