Orion Publishing Co, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book. Lois and Carly-May are just twelve years old when they re abducted, driven across the country, and imprisoned in a remote, isolated hunting lodge for two months. That summer, under the watchful gaze of their kidnapper, they form a bond which will never be broken . . .Decades later, both Lois and Carly-May have built new lives and identities for themselves. Lois, a professor of literature, is shaken when an obsessive student reminds her of the man who kidnapped her, a man she saw shoot himself on the porch twenty years before. Out in LA, Carly-May is drinking too much and watching her beauty-queen looks fade, clinging to the last remnants of a once-promising career as an actress. When she reads a shockingly familiar screenplay, she warily she takes a role she knows is based on events from her own life. Increasingly haunted by the devastating experience that shaped both their lives, Lois and Carly-May are drawn together again in a world that both echoes and falsifies their beautiful, terrible story. An enthralling portrait of two haunted young women, this remarkable debut novel explores the very nature of survival.
