Words Take Flight Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Throughout American history, every major conflict has been due to either a misunderstanding between parties or a failure to live up to a promise - and needless bloodshed was always the result. And bloodshed was something with which Janiss Connelly was all too familiar, either by her own or someone else s hand. Friends. Lovers. Enemies. But as the administrator of Cedarcrest Sanctum, it was a necessary evil: keeping the facility s residents safe - and, thanks to infusions of her vampiric blood, alive - was both her responsibility and mission. It is a mission that is jeopardized by a very old - and private - vampire living and working as a college professor in Charleston, West Virginia. Janiss visits to determine her undead neighbor s true intentions, only to find that she and Cedarcrest are on the professor s syllabus. Left with no choice, the administrator must become the student and ask her own hated teacher for the deadly tutelage she needs to rescue the Sanctum. In The Matriarch: Changeling, Janiss will learn that friends and enemies are never who they seem to be - a lesson that must be paid in blood.
