

80-Year-Old Elephants! (Paperback)

By Leonard Atlantic

Gareth Stevens Publishing, 2017. Paperback. Condition: New. Language: English . Brand New Book. Elephants are smart animals often put in danger because of their large ivory tusks. Left alone, however, these amazing creatures can live for more than 80 years! Through innovative graphics and colorful photographs bringing the lives of these stunning animals into sharp focus, readers explore the differences between Asian and African elephants, their diets, and how they live their lives in different parts of the world.

Reviews

This ebook is definitely not simple to begin on reading but really enjoyable to read through. This really is for all who statte that there had not been a worth reading. You may like how the author publish this ebook.

This book may be really worth a read through, and a lot better than other. It is really basic but excitement inside the 50 % in the pdf. I realized this pdf from my dad and i encouraged this publication to learn.
