

Designed for Good: Recovering the Idea, Language, and Practice of Virtue (Paperback)

By Kevin J. Brown

Hendrickson Publishers Inc, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. Although we may not realise it, we live in a world that is full of competing ethical systems. Appeals to rights, personal freedom, or even equality often come with their own meta-values. Each of these values has something in common with the Christian message, but none of them tells the whole story. In this Christian take on classical virtue ethics, Kevin J. Brown weaves in modern-day examples from economics, politics, and pop culture to create a relevant framework that relates faith to contemporary ethical questions. Brown argues that true virtue - the kind we can actually strive for in our day-to-day lives - requires a holistic vision of the good life, not a list of rules determined by our preferences or the latest market trends. Instead, it is precisely what we were designed for by our Creator: life in the community of Christ's body, the church. Virtue then becomes the pursuit of wholeness in harmony with God's design.

Reviews

This ebook can be worthy of a read, and much better than other. I have read and i am certain that i am going to planning to go through again once again in the future. You may like just how the writer compose this book.

-- Mr. Grant Stanton PhD

A whole new eBook with an all new standpoint. It is actually rally fascinating throgh reading through time period. You wont truly feel monotony at anytime of your own time (that's what catalogues are for relating to when you request me).
