THE ROAD OF SCIENCE AND THE WAYS TO GOD

Real View Books July 2005, 2005. Trade. Condition: New. In an agnostic age that accepts science as its guide to truth, Jaki sets forth the daring proposition that, far from being pitted against one another, science and religion - specifically, Christian theism - have always been, and remain today, inseparably linked. His thesis unfolds in the form of a stunning intellectual and philosophical history of science that spans twenty centuries, from ancient Greece to modern quantum physics. We cannot understand...
