Lulu.com, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In the Christian community there are many controversial and misunderstood gifts of God. But none of God's gifts to His children seem to elicit as much excitement and as much misunderstanding as the gift of the Baptism in the Holy Spirit with Speaking in Tongues. This gift is extremely important for growth and awareness of the indwelling of the Holy Spirit of God and for the development of the power of God in the life of the Christian. This book is the result of working and collaborating with God's people to present this subject from God's word in text that is easily understood. It is our desire to share the wisdom God has given to us through this work.
