### ***Reviews***

*This publication is very gripping and intriguing. It is among the most awesome book we have go through. You can expect to like how the author compose this book.*  
(Dr. Malika Bechtelar II)

## HASSIDUT BELZ

Condition: New. Publisher/Verlag: Hadassa Word Press | Mixed Messages and Moral Relativism | Delineating the political and cultural attitudes of Belz Hassidism from its inception to the present, the author traces a pattern of behavior that exposes the disputable coherency of their value system. Their consistent campaign against the Eastern European Jewish Enlightenment created a culture of mixed messages and moral relativism. Woven into the history of the community were social and political wars in which the end justified the means. This became particularly evident with the backdrop of a rapidly changing and dangerous Europe during the 1940s - the Belz radical opposition to Zionism set the stage for political turmoil and tested the quality of the community's leadership. The Belzer Rebbe chose to flee to Israel rather than remain with his flock, to whom he had assured relative safety in Nazi Europe. This seemingly hypocritical decision raises the question: Would the reconstituted Hassidut Belz community in Israel maintain anti-Zionist values or would they redefine their value system into one with consistency and moral clarity? This work seeks to answer this question, among others, in its examination of the Belz Hassidic community. | Format: Paperback | Language/Sprache: english | 88 pp.
