Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. The name Geronimo came to Corine Sombrun insistently in a trance during her apprenticeship to a Mongolian shaman. That message and the need to understand its meaning brought her to the home of the legendary Apache leader s great-grandson, Harlyn Geronimo, himself a medicine man on the Mescalero Apache reservation in New Mexico. Together, the two of them--the French seeker and the Native American healer--would make a pilgrimage that retraced Geronimo s life while following the course of the Gila River to the place of his birth, at its source. Told in the alternating voices of its authors, In Geronimo s Footsteps is the record of that journey. At its core is an account of Geronimo s life, from his earliest days in a Chiricahua Apache family and his path as a warrior and chief to his surrender and the years spent in exile until his death, at Fort Sill, Oklahoma. Recounted by his great-grandson, his story is steeped in family history and Apache lore to create a portrait of a leader intent on defending his people and their land and traditions--a mission that Harlyn continues, even as he campaigns to recover his ancestor s bones from the U.S. government. Completing Corine s circle, the audiobook also explores the links, genetic and possibly cultural, between the Apache and the people of Mongolia.
