Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Have you ever read a memoir that was entertaining, while being so easy to read that you could almost sing to it? Well, now you can. Order a copy of this book and find yourself connecting and identifying with the common trials that we all deal with throughout our lifetime, while gaining an appreciation for poetry. In this daring, honest and delicious memoir, written in poetry form, Lori Jean Phipps reveals her rather tumultuous life after the age of twenty one. After she began wearing lipstick and became in a sense, a woman. That is when her entire perspective on life began to change. Her sheltered innocent childhood kept her protected and well-loved and her adventurous adulthood took her on a roller coaster ride of emotional, psychological and metaphorical growth, hence the reason for the title of the book. All proceeds go towards a fundraiser to keep a private preschool center in Northern California in operation. Thank you for supporting early education and private businesses.
