Reviews

The book is straightforward in go through better to understand. it had been writtern quite flawlessly and valuable. You can expect to like the way the author publish this book.

(Reyes Murphy)

ALIENS ARE COMING DRAGONFLY BOOKS

Dragonfly Books. Paperback. Book Condition: New. Paperback. 40 pages. Dimensions: 9.8in. x 9.7in. x 0.2in.A picture-book account of one of the most famous pieces of radio history! Sandwiched between a look at Depression-era radios and a set of fanciful period advertisements, McCarthy delivers a semi-serious account of the 1938 War of the Worlds broadcast, illustrating both passages from the script and briefly told descriptions of widespread panic with smudgy cartoon scenes featuring bug-eyed monsters and equally bug-eyed people. The author closes with a substantial note that analyzes the broadcast immediate and long-term effects, points out that the announcers repeatedly admitted that they were presenting a drama during the broadcast, mentions several later revivals here and internationally and notes the response of H. G. Wells himself to the original production. She has also set up an invitingly designed Web site with an array of relevant links.
