CHANGE INTELLIGENCE: USE THE POWER OF CQ TO LEAD CHANGE THAT STICKS (HARDBACK)

Greenleaf Book Group LLC, United States, 2013. Hardback. Condition: New. Language: English . Brand New Book. In the world of business, the ability to handle constant change makes the difference between success and failure. Today, executives, supervisors, and project managers have plenty of methodologies for managing change, yet the failure rate of major organizational change is still an abysmal 70 percent. In this innovative guide, Barbara Trautlein argues that this is because our current approaches are inadequate when not used in tandem with a deep understanding of change intelligence, or CQ--the skill set required to lead a team or company through vital transformations. Inside, she gives readers access to a proprietary, interactive CQ assessment that is based on substantial research and experience in working with hundreds of top organizations. And after readers learn their own change leader style, they go on to discover practical strategies for leveraging their strengths and shoring up their weak spots. Trautlein, a leading authority on change leadership, keeps the theory light and delves into insightful case studies drawn from her decades of experience. Her example-based approach allows readers to plainly see how they can start driving real transformation--not by adopting yet another new tool but by bolstering their own capacity for change leadership.
