paperback. Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Pages Number: 10827 Publisher: China Politics and Law University Press Pub. Date :2007-09. This book materials have the following characteristics: staff must participate in the preparation of many years of teaching experience and teaching effectiveness is very prominent. and this supervised the staff in their schools are teaching backbone. and in special education for many years. teaching good teachers; requested by the staff responsible and the role of a teacher s point of view rather than the scientific preparation of written materials to avoid monographs; attention system. we must give students a complete knowledge structure. to avoid gaps in knowledge. The main contents of the book consists of five parts: general principles. property rights. claims. contract law. family law and inheritance law. The set of regular higher education. Eleventh Five-Year national planning materials published. setting the agency s two decades of experience in textbook publishing and legal scholars. many well-known theoretical results. Jiang Ping. ZHANG Jin-fan. Chen. and other laws should be loose-year academic dean Professor level support. in many of the active participation of young lawyers. we believe that this set of materials will give the reader a surprise. Our idea is to insist on publishing teaching materials must be closely integrated with the principle of the syllabus. Various disciplines to the Ministry of Education curriculum modeled close to actual classroom teaching. and strive to achieve the basic concepts. basic principles. basic knowledge as the main content. and reflect the latest academic trends and research results. In the form of setting. insist on the form of service in the content. materials. services to students of philosophy. Adopt flexible and diversified forms of style. according to the characteristics of different...
