The playful freedom of his remonstrance about the practice of poetry will show how little shallow austerity there was on one side, and how much real respect on the other. Towards his tutors he expressed the warmest feelings of kindness and esteem; and in all his friendships he displayed a strong sensibility that inspired his correspondence with an affecting tone of trustful deference. Such a man ought surely to be elevated above the reach of a quibble, and the superiority of his character ought to be a sufficient guarantee that the mean drawbacks of querulous temper or restless vanity (the curse of incapacity) could not have detracted from his greatness. Upon the death of his mother, Milton obtained permission from his father to prosecute a journey into Italy, which he had long meditated;--a country with whose poetical treasures his mind was filled, and whose classic soil his imagination had so often visited in his solitary studies. Previously to his departure, he procured some excellent hints from sir Henry Wotton, provost of Eton college, and formerly ambassador from the English court at Venice. Amongst the useful rules for his conduct laid down by sir Henry, was the advice which he had himself received from an old Roman courtier at Sienna, when he was on his way to Rome. He appears about this time, before the death of his mother, to have proposed a residence in town; for his spirit, now...
