Simon Schuster Ltd, United Kingdom, 2014. Paperback. Condition: New. UK ed.. Language: English . Brand New Book. Delia Ephron brings her trademark wit and effervescent prose to a series of unforgettable, moving and provocative essays. The emotional lynchpin is the author s stirring, eloquent response to the death of Nora Ephron, her older sister and frequent writing companion. In *Sister* , she deftly captures the love, rivalry, respect and intimacy that made up her relationship with her sister in a way that is at once deeply personal and comfortingly universal. Other essays in the collection run the gamut from a hysterical piece about love and the movies - how romantic comedies completely destroyed her twenties - to the joy of girlfriends and best friendship, the magical madness and miracle of dogs, keen-eyed observations about urban survival, and a serious and affecting memoir of life with her mother - growing up the child of alcoholics. Ephron s sparkling wit and humanity is present on every emotionally resonant page.
