Reviews

Definitely among the best book I have possibly read. I have study and i am sure that i will going to go through once more once more later on. Your lifestyle span is going to be convert when you full looking at this publication.
(Prof. Damon Kautzer III)

THE STATE OF SCHOLARLY PUBLISHING: CHALLENGES AND OPPORTUNITIES

Transaction Publishers. Paperback. Condition: New. 267 pages. Dimensions: 8.9in. x 5.9in. x 0.7in. For decades, university presses and other scholarly and professional publishers in the United States played a pivotal role in the transmission of scholarly knowledge. Their books and journals became the gold standard in many academic fields for tenure, promotion, and merit pay. Their basic business model was successful, since this diverse collection of presses had a unique value proposition. They dominated the scholarly publishing field with preeminent sales in three major markets or channels of distribution: libraries and institutions; college and graduate school adoptions; and general readers (i. e. , sales to general retailers). Yet this insulated world changed abruptly in the late 1990s. What happened This book contains a superb series of articles originally published in The Journal of Scholarly Publishing, by some of the best experts on scholarly communication in the western hemisphere, Europe, Asia, and Africa. These authors analyze in depth the diverse and exciting challenges and opportunities scholars, universities, and publishers face in what is a period of unusual turbulence in scholarly publishing. The topics given attention include: copyrights, the transformation of scholarly publishing from a print format to a digital one, open access, scholarly publishing in emerging nations, problems confronting journals, and information on how certain academic disciplines are coping with the transformation of scholarly publishing. This book is a must read for anyone interested in the scholarly publishing industrys past, its current focus, or future plans and developments. Albert N. Greco is professor of marketing at the Graduate School of Business Administration, Fordham University. He is the editor of The Changing World of Publishing and The Media and Entertainment Industries. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
