PAVILION BOOKS, United Kingdom, 2018. Paperback. Condition: New. Language: English . Brand New Book. Isaac the Hedgehog has had a long winter sleep. He s just woken up and is having a bad hair day (well, you try looking perfect when you ve been asleep for four months!). He s also very hungry and in search of food. But every time he finds something to eat another creature gets there first. And when hedgehog himself becomes the target of a bigger animal s appetite, will his spikes save him from becoming someone else s breakfast? Rosie Wellesley s beautiful illustrations capture all the joy and bounty of spring, its bright colours, optimism and hope.
