Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In the United States alone, approximately 40 million people have problems with anxiety. Worrying about what might happen is perfectly normal, but when worries become exaggerated and excessive they can interfere with your ability to function and they can even make you sick. If you struggle with anxious feelings and constant worries you can't control, then Anxiety Relief can help you find the relief you've been looking for. Anyone who suffers from any type of anxiety can benefit from reading this e-book and learning the strategies you will find inside. Do you find yourself constantly worrying about what other people think of you? Do you obsess about problems in your relationships with friends and family, your romantic partner, or the fact that you don't currently have a partner? Do you feel anxious frequently about your performance at work or school, or the possibility that you might get sick or be injured in an accident? Do you worry about money and bills? Most people probably worry about all these things, but if your anxieties are preventing you from fully enjoying your life or causing you physical symptoms like insomnia and stomach pain then you may have a problem with anxiety. Knowing that you have an anxiety problem is the first step in seeking help, but just knowing it won't improve your situation. Many people who struggle with anxiety are aware they have a problem, but they may believe there is nothing they can do to change their situation. In reality, anxiety is a problem you can learn to control. To get relief from your anxiety you need to know what to do about it. This book will...
