

The Nuisances Removal and Diseases Prevention Acts, 1848 and 1849; An Analysis, the Orders in Council, Circulars of the Poor Law Commissioners, and Sanitary Regulations of the General Board of Health (Paperback)

By Thomas William Saunders

Trieste Publishing Pty Ltd, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Trieste Publishing has a massive catalogue of classic book titles. Our aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time. The many thousands of books in our collection have been sourced from libraries and private collections around the world. The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. Our readers see the books the same way that their first readers did decades or a hundred or more years ago. Books from that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs, or missing pages. It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing, or if necessary, rejecting titles that are not of the highest quality. This process...
