PM Press, United States, 2011. DVD-ROM. Condition: New. Language: English . Brand New Book. This Is What Democracy Looks Like is the first documentary to capture the raw energy of the WTO protests, while clarifying their global and historic significance. It weaves the footage of over 100 videographers into a gripping document of what really happened on Seattle s streets. The film cuts through the confusion and tear gas to paint an intimate, passionate portrait of a week that changed the world. With narration by Susan Sarandon and Spearhead s Michael Franti, and with a driving soundtrack including Rage Against the Machine, DJ Shadow, DJ Musaka and more.
