

HON Inspection Tool and Checklists

By U.S. Environmental Protection Agency

Government Institutes Inc., U.S., United States, 2000. Paperback. Book Condition: New. 272 x 216 mm. Language: English . Brand New Book. Featuring a collection of EPA guidelines and checklists, this handbook enables you to evaluate your facility's compliance with the hazardous organic national emission standard for hazardous air pollutants (HON) from a regulatory perspective so that you can accurately assess your facility's compliance status. The first part of this manual provides an overview of the HON regulations found under the Clean Air Act section 12 and in the Title 40 Code of Federal Regulations, Part 63, Subparts F, G, H, and I. The second part of this manual contains specific, yes/no checklists covering such issues as transfer operations, storage vessels, wastewater provisions, and compliance timeline and reporting.
