Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Some days, Garrison Kelly feels good about the world around him and can conquer any problem with love, peace, and unity. Other days, he wants to take a flamethrower and turn his universe into ashes and smoke. Necrograph (which translates from Greek to Death Writing) explores both sides of this love-hate dichotomy in the form of heavy metal lyrics. War, bigotry, poverty, mental diseases, and general nastiness are enough to spark the fire in Garrison s belly. You may survive in a lot of climates, but the darkness of his mind is not one of them. You can either pick up a guitar and sing along, or you can submit to his form of pyrocratic justice.
