

One Little Snowflake: Mecomplete Early Learning Program, Vol.1, Unit 5 (Paperback)

By Janice Jobey

Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.One little snowflake tumbled slowly down. Two little snowflakes twirled around and around. What child doesn't love snow? These falling snowflakes not only teach math, but literacy too! Snowflakes fall from the sky in many designs and patterns. Children can count by 1s from 1 to 20 and then in groups of 5s and 10s all the way up to 100. And when you are finished counting, children can choose among three endings for a fun snowball finish! Literacy Links and Learning Extensions support the adult in promoting learning across academic domains! Teachers, parents, and children will all love how teaching math can be as fun as snowflakes falling from the sky! ONE LITTLE SNOWFLAKE is part of the Me Complete! Early Learning Program, Volume 1, Unit 5, WINTER TIME unit. It may also be used independently. The complete curricular set may be purchased at earlylearning.today.
