GETTING PEOPLE AND CULTURE RIGHT IN MERGERS AND ACQUISITIONS

HRD Press Inc.,U.S. Paperback. Book Condition: new. BRAND NEW, Getting People and Culture Right in Mergers and Acquisitions, Richard Bellingham, People and culture - the two most important ingredients in generating new sources of gain and intellectual property in a merger or acquisition - are all too often underleveraged. In this book for HR professionals, Dr. Bellingham focuses on how you can manage these critical components in the change process, elevate your strategic importance and personal positioning in the organization and contribute to the lasting success of the business. In eight chapters, this must-read manual will prepare you to handle the critical areas in which HR should play a major role - before they come up. These include organization design and staffing, key talent retention, strategic engagement, leader transition, senior leadership summit, team alignment, culture alignment and change leadership. The author introduces a breakthrough methodology - a combination of ideas, principles, possibilities and processes - that will be a crucial tool for turning people and culture into key levers of success in your organization. After reading Getting People and Culture Right in Mergers and Acquisitions, you'll have answers to the critical questions business leaders have during these times of change, including how to: Align your organization behind your new marketplace position, Accelerate success in this new business where it is a new game with new rules, Stay connected to the game-changing trends and ideas that could impact your business, Collaborate more broadly and deeply in an increasingly complex world, Continually create new sources of gain. Take-aways include a field-tested process for managing all aspects of change, a three-phased approach to ensure the new culture supports the new strategy, tools for aligning teams to the new strategic direction, activities for jump-starting the new organization, assessments to be used in the first...
